Sir:

Applicant wishes hereby to clarify the following omission noted in the prosecution history for the referenced case:

Applicant's Amendment A filed 24 August 2006 included amended Figs. 7, 25, and 26. There was no subsequent comment from the examiner concerning either acceptance or rejection of the amended drawings.

Applicant believes, in the absence of explicit rejection of amended Figs. 7, 25, and 26, and further in the absence of any ensuing requirement to file corrected drawings, that there is implicit acceptance of amended Figs. 7, 25, and 26, and that no additional filing of drawings is necessary.

Respectfully submitted,

William D. Blackman
